Dear Parents/Carers

Friday 10th January 2025

Welcome back to the new term and I hope that you had a restful Christmas and a happy new year. It has been great to see how well the children have settled back into their routines following the break and so it has been a positive start back so far. As I write this, I can hear the children enjoying the panto today, which is a lovely way to end the first week back.

My main reason for writing is to let you know that we have appointed a fantastic new Family Liaison Officer to help support our whole school community, but particularly those children and families who are going through a tougher time and temporarily need a little more support. Mr Ryan Irvan joined us this week and we are very excited about this as he comes to us with a lot of experience and with an excellent track record. He has already been out and about at the beginning and end of the school day to meet you all and I am sure he will swiftly become a massive asset to the school and it's community.

I would also like to update you about the consultation that we put out in the weeks before Christmas. Thank you to everyone who responded to the recent proposal to reduce our planned admission number from 45 to 30 from September 2026. We received six responses. All were supportive and in favour of the proposal, so the policy will be published for 2026-27 in due course.

Thank you all once again for all of your support and, as always, please do not hesitate to come and talk to me if you would like to discuss any aspect of your child's education or welfare.

Best wishes

Simon France
Headteacher
