Headteacher: Mr S D France B.A. (Hons)

Dear Parents and Carers,

Thursday 16th April 2026

We are excited to be holding a special **Big Me Day** on **Friday 10th July**. This day is designed to help inspire our children to think about their futures and learn more about the wide range of careers and opportunities available to them.

As part of the day, **children are invited to come into school dressed as their dream job**.

We would also love to hear from any parents, carers or wider community who would be willing to come in and talk to the children about their job or career. This could include sharing:

- What your job involves
- How you got into your career
- The skills or qualifications you needed
- What you enjoy most about your work

We know how busy life can be, so we are very happy to work around your availability. You could choose to speak to:

- A single class
- A small group of children
- Or a larger group/assembly

Talks are usually around 15–30 minutes, and there will be time for children to ask questions. If you would like to visit more than one class, we can arrange a timetable to suit you. If possible, bringing along any safe and suitable equipment, photos, or examples from your work is always a great way to bring your role to life for the children—but this is completely optional.

If you are interested in supporting this event, please reply to this email and we will be in touch to arrange the details.

Thank you for helping us to inspire our children and broaden their understanding of the world of work.

Kind regards,

Jay David
Deputy Headteacher

**Making a difference: for good, with each other,
everyone, in our community.**

'Let all you do, be done in love'
