Dear Parents and Careers,

Our first Big Me Day on **Friday 10th July** is fast approaching!

Throughout the day, children will take part in activities linked to aspirations, teamwork, problem-solving and some of the skills they may need in the future.

To help make the day special, **children are invited to come to school dressed as something they might like to be when they are older.** This could be a specific job, such as an engineer, nurse, builder, artist, scientist, police officer or chef, or something linked to their interests and talents. Please do not feel that you need to buy anything new — simple homemade outfits or accessories are absolutely fine.

We have a range of visitors coming into school during the day to talk to the children about their jobs and experiences. This will help the children learn about different career paths and understand that there are many different routes into the world of work.

We are also asking children to bring in a **£1 donation**, if families are able to, to help us fund new books for our school library which has recently been refurbished by our PTA. Books are a gateway to the future, helping children to imagine, dream, learn and discover the many possibilities ahead of them.

Please do speak to Mr David if you have any questions.

Kind regards,

The St Andrew's Team

**Making a difference: for good, with each other,
everyone, in our community.**

'Let all you do, be done in love'

1 Corinthians 14:16
