Dear Parents/ Carers,

Monday 14th September 2026

We believe that it is important to celebrate the children's achievements both inside and outside school. Each week, we hold a special Celebration Worship where children receive certificates for their hard work, their progress and for being love-led within school. We would like to celebrate their interests, talents and achievements outside of school too.

We know that praise is such a powerful tool. It can help to drive and motivate children to continue to do the very best that they can and strive towards their next goal and also boost confidence. It may be that your child has recently received a swimming badge, moved up a grade in dance or music, found a particular interest in something new or that their football team won a local competition. If so, we would love to hear about it so we can celebrate it in school.

We ask you to please email our school office (office@standrews.dsat.org.uk) to inform us about your child's interest, talent or achievement. This could be anything that they do as part of a club or by participating in a competition or event. If your child has received a certificate, medal, badge or trophy, then please send a photograph of them with their award. Emails can be sent throughout the year, and we will arrange to celebrate your child's achievement in Celebration Worship in the following weeks.

I am sure that the rest of the school will love to celebrate their friends' successes and also to learn about hobbies and interests that may be different to their own.

We are really looking forward to celebrating all of the children's wonderful achievements.

Best wishes,

Mrs Clare Tantrum
Headteacher
