

St Andrew's CE Primary School Results

Reception: Good Level of Development

The curriculum in Reception focuses on the development of seven areas of learning. At the end of Year R, these results are used to create average result, called the Good Level of Development or GLD.

In 2026, our Reception cohort achieved 83% GLD.

Year 1 and 2: Phonics Check

Children begin to learn phonics (sounds) in Early Years. For your child, we use a carefully planned scheme called *Sounds Write*. Once children begin learning sounds, these sounds are used to read and to spell words. Children in Year 1 all take the phonics screening check during June to assess their understanding of these initial sounds to ensure they are best placed for success in the future. Children in Year 2 also take the check if they did not achieve the required results in Year 1 or have never taken the check.

In 2026, 67% of our Year 1 cohort achieved the required results.

In 2026, 100% of our Year 2 cohort achieved the required results.

Year 4 Multiplication Tables Check

The multiplication check is a mandatory assessment that determines whether pupils can recall their times tables fluently, an essential skill for future success in mathematics. Throughout Year 3 and 4 especially, we work to prepare your child for the assessment so that all children master their times tables.

In 2026, the average score of our Year 4 cohort was 18.9 out of a possible 25.

In 2026, 52% of our Year 2 cohort achieved 21 out of 25 or higher and 13% achieved 25 out of 25.

Year 6 SATs (Standardised Assessment Tests)

EXS – achieved the expected standard or higher

GDS – achieves greater depth standard

	2026
Reading, writing and maths	EXS 55% GDS 6%
Reading	EXS 63% GDS 24%
Writing	EXS 58% GDS 6%
Maths	EXS 60% GDS 15%
Grammar, punctuation and spelling	EXS 57% GDS 9%
