Dear Parents/Carers,

Monday 28<sup>th</sup> September 2026

At St. Andrew's CE Primary School, we are very fortunate to be able to provide our children with a lovely wide range of toys and activities in our Pre-School and Reception class, as part of their play-based curriculum. However, there are a few items that we are a little short of at the moment and so I thought that we could maybe help each other with this. If you have any of the below items at home that you are no longer wanting or needing, we would love to take them off your hands and help you to make space in your homes for what you are really wanting and needing:

- **Tricycles**
- **Balance bikes**
- **Dressing up**

We are also very much in need of more books for our classrooms and for our beautifully refreshed library. Therefore, if you have any **age-appropriate books**, for any primary year group, that are surplus to your requirements then we would be very grateful for these donations too.

If you are able to and would like to donate any of these items at any point, please hand them into our main school office.

Thanking you in advance,

Mrs Clare Tantrum  
Headteacher

**Making a difference: for good, with each other,  
everyone, in our community.**
