Dear Parents and Carers,

Monday 28th September 2026

I am writing to ask for your help to keep our children safe on their way to and from school and to allow appropriate access to all of our families. I am becoming increasingly concerned about parking and vehicle safety outside the school at the beginning and end of the school day and am therefore writing to ask for your cooperation with two important matters:

Firstly, please **do not park on the roundabout outside the front of the school**. Vehicles parked in this area reduce visibility for children, parents and drivers, increasing the risk of an accident. The roundabout must remain clear to allow the safe movement of traffic and to ensure that emergency vehicles can gain access if required.

Secondly, please **do not stop, wait or park in a way that blocks the entrance or exit to the staff car park**. This access route is required for staff vehicles, deliveries and, importantly, for families and visitors who need to use the accessible route into school. Blocking this entrance can prevent disabled pupils, parents, carers and visitors from accessing the school safely.

I understand that parking can be challenging at busy times but the safety and wellbeing of our children must always be our highest priority. We ask all members of our school community to park considerately, follow local parking restrictions and allow a little extra time for drop-off and collection arrangements where needed to accommodate this. By working together, we can ensure that the area around the school remains safe and accessible for everyone.

Thank you for your support in keeping our children safe.

Yours sincerely,

Mrs Clare Tantrum
Headteacher

**Making a difference: for good, with each other,
everyone, in our community.**

'Let all you do, be done in love'

1 Corinthians 16:14
