Dear Parents and Carers,

Monday 2nd November 2026

Our Four New School Values

Firstly, thank you once again for your engagement with our school values voting process. We were delighted by the number of responses received and are very grateful for the time that parents and carers took to carefully consider which values they felt were most important for our school community going forward.

As previously explained, all members of our school community were invited to vote for their preferred new school values. Staff and children as well as parents and carers had the opportunity to have their say. Following this, our Ethos Committee met to carefully consider all of the votes and agree on our new school values.

We are delighted to announce that **Aspiration** emerged as the top choice in all groups and was therefore selected as our first new school value.

Our Vision: *'Love one another: just as I have loved you. (John 13:34)*

Our Mission: *Make a difference: for me, for you, for everyone.*

Our Values: *Aspiration, Honesty, Courage and Grace*

Honesty was also consistently one of the highest-rated values amongst staff, children and families and was therefore chosen as our second new school value.

Our third new school value is **Grace**. This was selected because it reflects and encompasses a number of other values that were particularly popular during the voting process, including kindness, compassion and forgiveness.

Our Vision: *'Love one another: just as I have loved you. (John 13:34)*

Our Mission: *Make a difference: for me, for you, for everyone.*

Our Values: *Aspiration, Honesty, Courage and Grace*

Finally, the Ethos Committee agreed that our fourth new school value is **Courage**. It was recognised that courage is needed by us all to live out the other new school values. It takes courage to be honest, courage to show grace, and courage to have aspirations for ourselves and for others.

Together, these four values - **Aspiration, Honesty, Grace and Courage** - provide a strong and empowering foundation for our school community going forward and reflect the Christian character and vision of St Andrew's CE Primary School. We hope that you are as excited as we are about these new school values and the positive difference they will make in all of our lives.

This afternoon, we shared our four new school values with the children and began exploring what each of them means. This marks the beginning of an exciting journey for our school. Over the coming months, we will continue to teach, celebrate and encourage these values throughout school life, helping our children to understand what they look like in action and how they can live them out each day.

Thank you once again for your support and partnership as we continue to shape the future of St Andrew's CE Primary School together.

Yours sincerely,

Mrs Clare Tantrum
Headteacher
